Warning Letter Re: FPPC No. 10/450, Glenn Inverso, Respondent

Dear Mr. Inverso:

The Fair Political Practices Commission (the "Commission") enforces the provisions of the Political Reform Act (the "Act"),¹ found in Government Code Section 81000, et seq. This letter is in response to a referral from your filing officer, the San Diego County Registrar of Voters, that alleged you failed to file an Assuming Office, a 2007 Annual and a 2008 Annual Statement of Economic Interests in connection with your position as a Planning Group Member with the Lakeside Community Planning Group. The Act requires that employees designated in their agency's conflict of interest code file Statements of Economic Interests (Form 700) when they assume office, annually thereafter, and within 30 days of leaving their position.

The Commission has completed its investigation of the facts in this case. Specifically, the Commission found that you failed to timely file an Assuming Office, a 2007 Annual and a 2008 Annual Statement of Economic Interests with the San Diego County Registrar of Voters in accordance with the requirements of your position as a Planning Group Member with the Lakeside Community Planning Group.

Your failure to file the required statements is a violation of the Act. (Gov. Code § 87300.) However, since you have filed these statements with your filing officer in response to our request and have filed your other Statements of Economic Interest timely, we are closing this matter with this warning letter. This letter serves as a written warning. The information in this matter will be retained and may be considered should an enforcement action become necessary based on newly discovered information or future conduct. Failure to comply with the provisions of the Act in the future will result in monetary penalties of up to \$5,000 for each violation.

¹ The Political Reform Act is contained in Government Code Sections 81000 through 91014. All statutory references are to the Government Code, unless otherwise indicated. The regulations of the Fair Political Practices Commission are contained in Sections 18110 through 18997 of Title 2 of the California Code of Regulations. All regulatory references are to Title 2, Division 6 of the California Code of Regulations, unless otherwise indicated.

A warning letter is a Commission case resolution without administrative prosecution or fine. However, the warning letter resolution does not provide you with the opportunity for a probable cause hearing or hearing before an Administrative Law Judge or the Fair Political Practices Commission. If you wish to avail yourself of these proceedings by requesting that your case proceed with prosecution rather than a warning, please notify us within ten (10) days from the date of this letter. Upon this notification, the Commission will rescind this warning letter and proceed with administrative prosecution of this case. If we do not receive such notification, this warning letter will be posted on the Commission's website ten (10) days from the date of this letter.

Thank you for your cooperation in filing these statements. If you have any questions you may contact me at (916) 322-5796.

Sincerely,
